## Second Primary Election Held Last Tuesday

John A. Egloff Elected Sheriff—Francis W. Lee, Representative—Sam L. Favre, Jr., Superintendent of Education—John B. Wheat, Calvin Shaw and Ed. P. Ortte Re-elected to Board of Supervisors

The official tabulation of the votes cast in the second primary election held last Tuesday in Hancock County resulted in the election of Francis W. (Goat) Lee as Representative of Hancock County, having defeated the present incumbent, Otho Rester, by a vote of 1854 to 1013. Mr. Lee is a native of the Flat Top community and is the son of Mr. and Mrs. Daniel F. Lee. He is married to the former Miss Zella Lee.

In the race for Sheriff and Tax Collector, John A. Egloff of Bay St. Louis, son of the late Ferdinand Egloff former city official of Bay St. Louis for many years, was elected by a majority of 257 votes over his opponent, F. J. Bopp, present Chief Deputy Sheriff of Hancock County. The vote in the Sheriff and Tax Collector's race was 1609 for Egloff and 1352 for Bopp.

Hancock County will probably have one of the youngest public officials in the State of Mississippi in Sam L. Favre, Jr. This young man was elected Superintendent of Education, defeating the incumbent, Kenneth G. McCarty, by a vote of 1527 to 1405. He is only twenty-three years of age and a graduate of last year's class at Mississippi State College. He is unmarried, and the son of Mr. and Mrs. Sam L. Favre, of Kiln.

The Board of Supervisors of the county remains the same. The five men who are presently on the Board have all been re-elected. Chas. B. Murphy and Lander H. Nédalé, Supervisors of Beats One and Four were elected in the first primary. In Tuesday's Second Primary, the veterans John B. Wheat from Beat Three and Calvin Shaw from Beat Three, with 23 years and 20 years respectively of service on the Hancock County Board of Supervisors, were re-elected; Mr. Wheat defeating his opponent, Frank Keller, by a vote of 158 to 147, and Mr. Shaw defeating his opponent, Roy Keonenn, by a vote of 242 to 149. In the Supervisor's race in Beat Five, the incumbent, Ed. P. Ortte was re-elected over the present Sheriff, Horace L. Kergosien, by a vote of 778 to 714.

The results for the state officers were as follows:

For Governor—Thos. L. Bailey, 649, Mike Conner, 2259; for Lieutenant Governor—John Lumpkin, 2281, Fielding Wright, 526; for Superintendent of Education, Martin Riley 1144, J. S. Vandiver, 1586; for Public Service Commissioner—C. M. (Red) Morgan, 1598, and J. M. (Rat) Stewart, 1142.

The Surgical Dressings Room is urgently in need of workers, Bay St. Louis's quota of surgical dressings completed last week numbering only twenty. With casualties mounting daily in the army theaters of war, the need of bandages and surgical dressings grows daily and if Bay St. Louis is to complete its part of Hancock County's quota, volunteers will be compelled to report regularly and work diligently towards this end.

The ladies of the Waveland, Kiln and Logtown chapters are constantly working on surgical dressings and are due a vote of thanks for their splendid work on bandages and surgical dressings.

A contribution of \$10.00 towards the cost of material for robes for convalescents have been received from the Logtown Chapter of American Red Cross and the Hancock Chapter acknowledges this generous gift with gratitude.

Volunteers for sewing at the Production Room in Bay St. Louis will be urgently needed to sew on convalescent robes which will be cut and ready for sewing shortly.

Remember the Red Cross volunteer work is yours and everyone is welcome to come and do their bit. If you cannot sew or knit, there are

The State office Civilian Defense has conferred service bars on the following officers and volunteer workers: Mrs. George R. Rea, director, 2000 hours; Mrs. S. A. Power, assistant director, 2000 hours; Mrs. C. C. McDonald 1000 hours; Mrs. J. B. Goldman, 1000 hours; Mrs. L. S. Elliott, 500 hours; Mrs. Albert Biehl, 500 hours; A. E. Cox, chief air raid warden, 1000 hours; H. Grady Perkins, chief central center, 500 hours.

Nine officers and staff members attended the joint state OCD and Internal Security Division of the Army meeting at the Markham Hotel on Friday afternoon of last week when matters pertaining to the importance and necessity for civilian defense were discussed. The meeting was a revision of the meeting on Wednesday afternoon of the account of which appeared in full in last week's issue. A picture was made of the group from Bay St. Louis which will appear in the next issue of the Civilian Defense News. A periodical issued monthly by the state office.

Those attending the meeting were Mesdames George R. Rea, S. A. Power, W. Scott Morrill, J. B. Goldman, H. Grady Perkins, Roger Boh, L. M. Gex.

### NOTICE—BLACKOUT

The District Air Raid Warning office located at New Orleans, La., has publicly declared that in the near future SURPRISE blackouts will be held on the Gulf Coast. These blackouts will be witnessed by regular Army inspectors to determine how well the general public responds to surprise air raid warning signals. We hope that when these surprise blackout signals are given the entire citizenry of our City will cooperate with the OCD units in carrying out the instructions that have previously been given. Remember that the first signal air raid warning signal to be given is the BLUE which is a continuous blast for two minutes of the air raid horn. All pedestrians and operators of motor vehicles shall proceed in a cautious manner. The first blue is followed by the RED signal or intermittent blasts of one second on and one second off. The RED signal is the danger signal and therefore the entire community shall immediately blackout. REMEMBER that a BLUE signal shall always follow a RED signal. It follows then that after the RED signal there will be BLUE signal; both signals shall be given in accordance with instructions previously given. There is a possibility that a DOUBLE red signal will be given and we should associate the signals or blasts with the color which designates them. In other words after the second BLUE there is a possibility that a Second or DOUBLE red signal will be given. It is imperative that we be on the alert for such a change from the general routine of signals as have been previously given. If a double RED signal is blasted all should remember that a BLUE must always follow a RED signal. This means of course that after every red, first double, a blue signal will be sounded. The first or second BLUE signal allows all traffic to move with caution. The end of blackout always comes with the WHITE signal which is a blast of the air raid horn of ten seconds on and ten seconds off. BE ON THE ALERT FOR A SECOND OR DOUBLE SIGNAL or intermittent blasts of ONE (1) SECOND ON AND ONE (1) SECOND OFF.

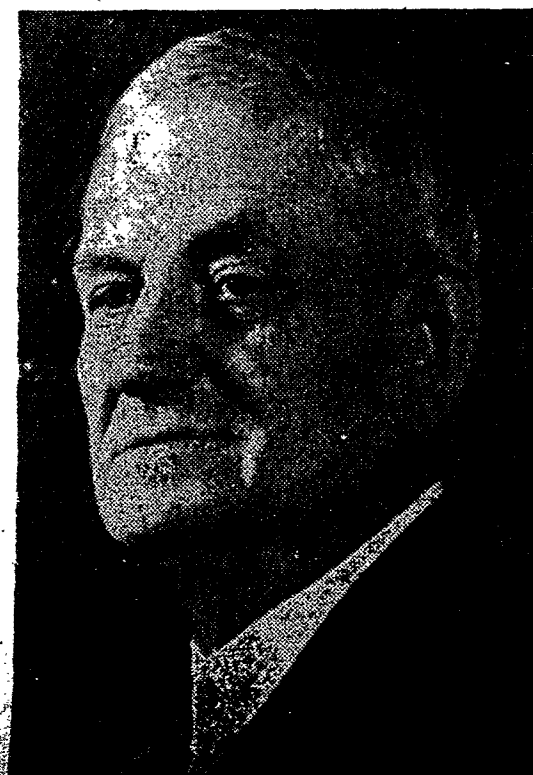

always other ways in which you might help. So come forward and help get our Chapter's quota out on record time.

### SHERIFF AND TAX COLLECTOR

JOHN A. EGLOFF  
John A. Egloff of Bay St. Louis was elected Sheriff and Tax Collector of Hancock County, and is one of the youngest men ever to have held this important office in this county. He is the son of the late Ferdinand Egloff, former City Commissioner of the City of Bay St. Louis. He is married to the former Miss Mabel Cuevas of Kiln and they have two children.

### SUPERVISOR BEAT 3

CALVIN SHAW  
Calvin Shaw was reelected Member of the Board of Supervisors from Beat 3, Hancock County, by a majority of 93 votes over his opponent, Roy Keonenn. Mr. Shaw has served on the Board of Supervisors since 1920 with the exception of one term. At the conclusion of this term he will have rendered twenty years service in this office.

### RED CROSS BENEFIT TUESDAY, AUGUST 31ST AT A. & G. THEATER

Sponsored By Bay-Waveland Garden Club

On next Tuesday evening, there will be a benefit showing of an excellent movie which will be sponsored by the Bay-Waveland Garden Club.

The A. & G. Theater owners have generously offered the use of their theater and facilities, and the Garden Club will receive 50 per cent of the proceeds of the evening which will be given over to the Committee known as Camp and Hospital Council which is endeavoring to raise funds to be used in furnishing a Day Room at the Induction Center of Gulfport Field and it is hoped that a nice sum will be realized.

The furnishings will consist of draperies, writing desk, books, small tables, etc., the furniture already having been placed in the Day Room and bright cheerful surroundings help the morale of homesick boys newly arrived in any Army or Navy Camp.

The Cake Sale sponsored last week by the Bay-Waveland Garden Club was extremely successful and the girls who worked so diligently towards its success are here with thanks for their good work.

The Committees in charge of raising funds for this work is composed of the following ladies: Mesdames A. P. Smith, Chas. Clark, N. L. Carter, T. Spence and Miss Elsie Sport.

### Mrs. M. E. Joyce Dies at Jackson, Miss.

Mrs. M. E. Joyce wife of the late John F. Joyce, died at Jackson, Miss., on Wednesday following an illness extending over a period of several years. Mrs. Joyce was a former resident of Bay St. Louis going to Jackson to live. Following the death of her husband she accepted the position as matron at Millsaps College which she held until her recent death from work.

Her body will be brought here from Jackson and interment will be in Cedar Rest Cemetery at 3 p. m. this Friday. She will be buried beside her husband and a son.

She is survived by a daughter Mrs. Elizabeth Harper of Memphis, Tenn., three sons, Vernon Joyce of Biloxi, Lawrence Joyce of San Antonio and Henry Joyce of Georgia. She also leaves four sisters Mrs. John Osolnach of Bay St. Louis, Mrs. May E. Bates of Kokomo, Indiana, Mrs. Pearl Lindau and Mrs. Lillian Stringfield of New Orleans.

The Echo offers sympathy to the family of this estimable woman who is remembered here by many.

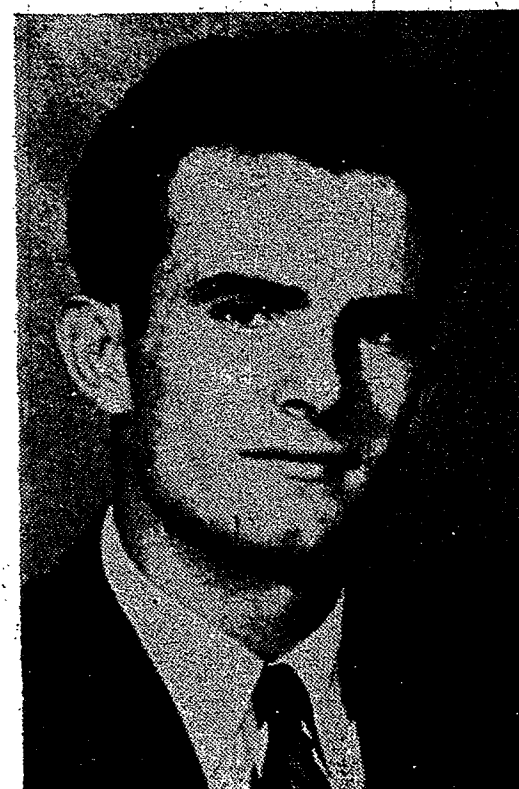

### Notice To All Holders of B and C Gasoline Ration Books

If the B or C book that you hold is OPA Form R-527, R-527A, R-528 or 528A and which has the earliest renewal date or expiration date after September 1, 1943 you shall surrender such book to this office for re-issuance before September 1st, 1943, as the above forms, after this date will not be valid.

### UNDER NEW MANAGEMENT

The Bay Cafe under its new management of Mr. J. Warner is enjoying a nice patronage due to the excellent cuisine and pleasant personality of its new owners. Good meals are specialties.

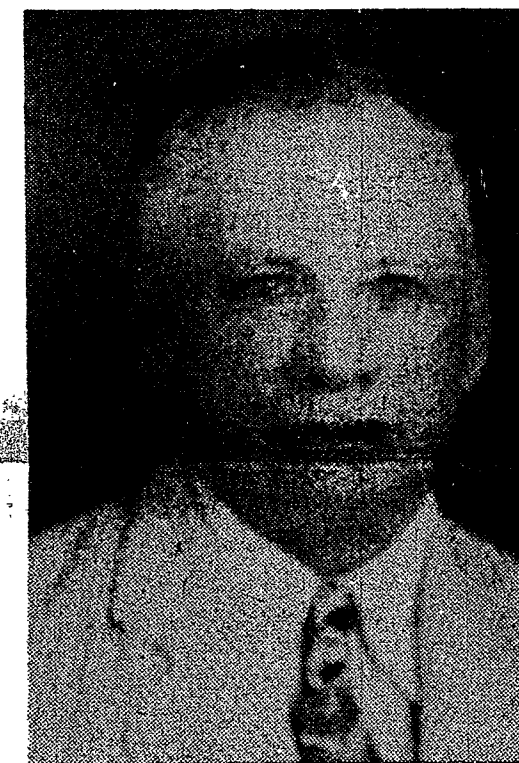

### SUPERINTENDENT OF EDUCATION

SAM L. FAVRE, JR.

Hancock County will probably have one of the youngest public officials in the State of Mississippi in the person of Sam L. Favre, Jr., who defeated the incumbent, Kenneth McCarty for Superintendent of Education in the election on last Tuesday. Sam is only twenty-three years of age. He is the son of Mr. and Mrs. Sam L. Favre of Kiln and is a graduate of Mississippi State where he finished with high honors. In addition to his academic work at State College, this young man completed advanced military and was eligible for officer's training school. However, his physical condition was such that he could not pass the army examination.

### SUPERVISOR BEAT 2

JOHN B. WHEAT

John B. Wheat, Member of the Board of Supervisors from Beat 2, was reelected over his opponent, Frank Keller, by a vote of 158 to 147. Mr. Wheat has served as a member of the Board of Supervisors since 1916, with the exception of one term and one year in another term. Upon the completion of this present term he will have served twenty-three years.

### MILK TO BE GRADED IN BAY ST. LOUIS

The Hancock County Health Department has announced that after September 1st, all milk and milk products sold in Bay St. Louis will be graded. This means that each bottle of milk will have the grade of its content printed on the cap.

The County Health Department will also announce in the paper each six months the grades of milk being sold by each producer.

Each person buying milk is urged to cooperate with the Health Department and all milk producers, by using only the top grades of raw and pasteurized milk.

### WAR RATION BOARD COLUMN

Mr. Ford, chairman of the local War Price and Rationing Board, reminded all shoe retailers that by September 1 they must post the following notice at each place where shoe sales are made directly to the public:

"Rationing regulations prohibit this store from accepting loose war ration stamps for shoes selected or delivered at the store."

This emphasizes the fact that loose coupons are valid for shoes only with bona fide mail orders, Mr. Ford pointed out.

The amendment which requires the posting of the notice also clarifies the definition of mail orders and expressly forbids the practice of selecting a pair of shoes in the store and mailing a loose stamp for delivery, the chairman said.

In cases where the local board decides that shoe stamps were detached from ration books through mistake or accident, provision is made for their exchange for special shoe stamps. Those who hold special shoe stamps are reminded that they must present their copy of War Ration Book One when they spend the stamp.

The board chairman also announced a change in shoe rationing regulations which permits the ration-free sale of non-leather shoes with soles containing a small amount (not more than 15 per cent) of reclaimed rubber or made from low-grade friction scrap. Release of this type of shoe applies only to footwear shipped from the factory after August 15, and does not affect shoes which were in dealer's stocks before that date, he said.

Brown stamps in War Ration Book Three will be used, beginning Sept. 12, to purchase foods rationed under the meats-fats program. Mr. Ford, chairman of the Hancock County War Price and Rationing Board, said today. Validity dates have been established for the brown stamps lettered A through F, he said, with the first letter becoming good on September 12 and successive letters coming into use on successive Sundays.

Y and Z red stamps in Book Two will become valid on August 29 and September 5, respectively and will expire on October 2, the chairman said. Stamp X, which also has an October 2 expiration date, is now good.

Processed foods will be purchased with blue stamp U, V and W in War Ration Book Two, these coupons becoming valid on September 1 and remaining good through October 20. Blue stamps R, S and T, now good for processed foods, will expire on September 20.

Members of the trade who are not eligible are required to maintain ration bank accounts are to be provided with a new type of red and blue food ration coupons, Mr. Ford, chairman of the Hancock County War Price and Rationing Board, said today. In some instances the coupons will be issued to individuals as well.

The new coupons in general, will replace point certificates when ration currency is issued to persons, such as industrial and institutional users, who are not entitled to have ration bank accounts, and to individuals who require special point allotments, such as persons in isolated areas who must buy large quantities of rationed foods at one time.

Food ration coupons of the new type will be used in the same way as stamps, certificates and ration checks, except they will not need to be endorsed, as certificates and checks must be, and, unlike ration stamps and certificates, they will not expire, but will, instead, be good at any time, the board chairman pointed out.

Car owners who still hold the old type "B" and "C" gasoline ration coupon books should exchange them for the new mileage ration sheets of coupons between August 23 and September 1, Major W. E. Holcomb, OPA District Director, announced today.

Old type "B" and "C" coupons will become invalid on September 1, and gasoline dealers cannot accept them in exchange for gasoline on and after that date.

Also, outstanding 100-gallon bulk coupons, issuance of which was discontinued June 15, will be invalidated on September 1.

The cut-off of old type "B" and "C" coupons will not affect all "B" and "C" coupon holders, OPA pointed out, since War Price and Ration Boards in most sections have been issuing new type coupons to applicants for approximately thirty days.

Invalidation of all out outstanding old type "B" and "C" coupons will accomplish three important objectives, Major Holcomb emphasized:

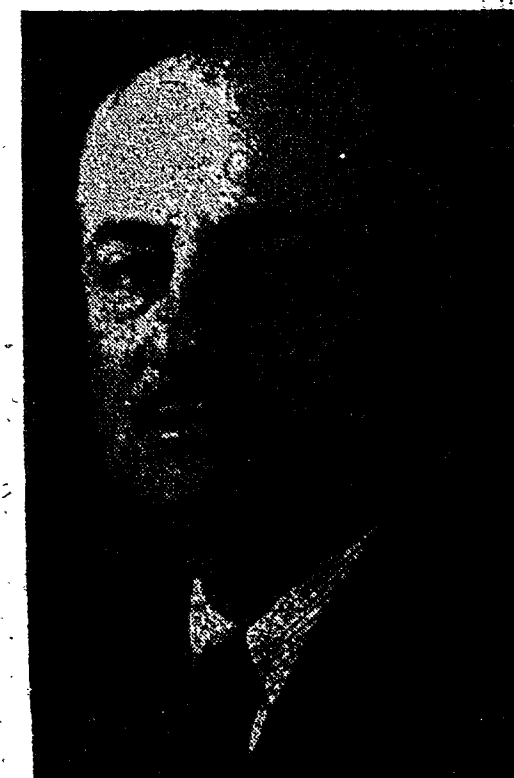

### GOVERNOR

THOS. L. BAILEY

Thos. L. Bailey of Meridian, former Speaker of the House of Representatives was elected Governor of Mississippi in the second primary election on last Tuesday by a majority of approximately 14,000 votes over his opponent, former Governor Mike Conner.

### SUPERVISOR BEAT 5

ED. P. ORTTE

Ed. P. Ortte, present member of the Board of Supervisors in Beat Five, defeated his opponent, Sheriff Horace L. Kergosien, by a vote of 778 to 714. This will be Mr. Ortte's second term as a member of the Board.

1. It will tighten the gasoline rationing program by rendering useless stolen illegally-held, and counterfeit coupons of the old type now circulating in the black market.

2. Dealers throughout the country will only have to handle one type of each class of coupon.

3. As the new coupons provide space on the front for the required endorsements (license numbers) and state of registration of vehicle for which the ration was issued, the necessity for writing on the back of the coupons will be eliminated. This will make the notations identifying the coupons with the car for which the ration was issued, more readily discernable to dealers for checking.

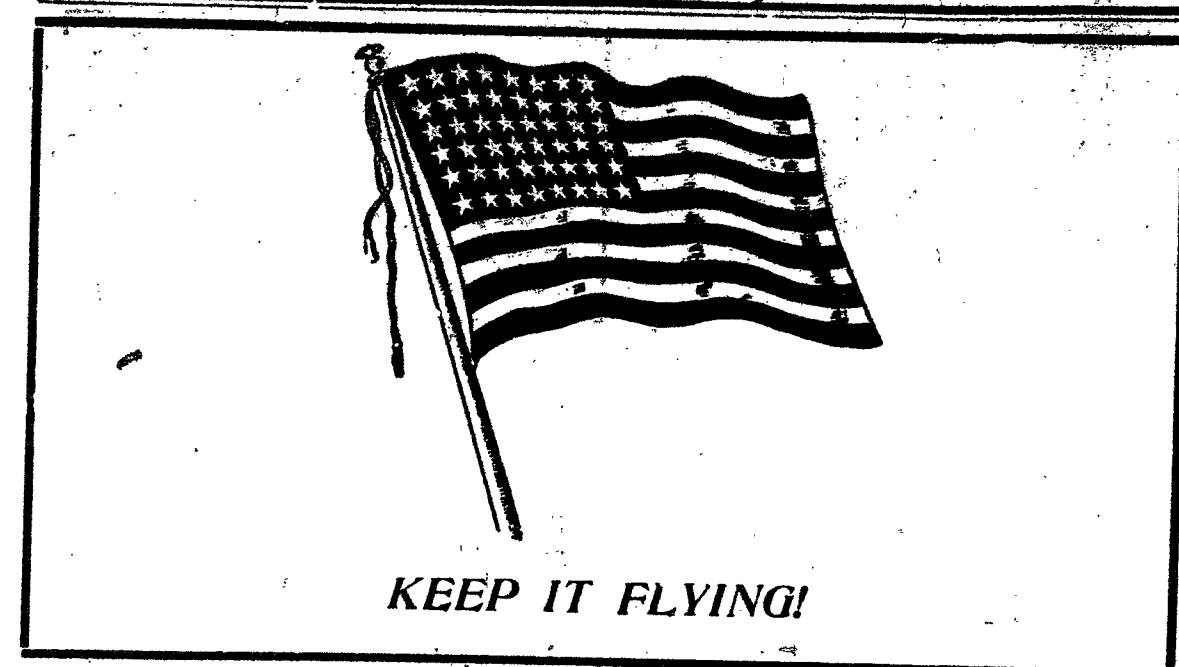

Motorists can readily tell if they are now holding new type coupons. Old type "B" and "C" coupons are identified by the words "Permit; delivery of one unit of gasoline." New type "B" and "C" coupons carry only the words "Mileage Ration," plus a large letter "B" or "C" depending on the class of ration. "B" coupons, as in the past, are printed in green ink, and "C" coupons are in red.

Car owners can exchange valid old type coupons beginning August 23 by applying to their War Price and Rationing Boards. Boards will issue new type coupons on a coupon-for-coupon basis.

N 100-gallon bulk coupons have been issued by War Price and Rationing Boards since June 15. At that time OPA set up procedure for providing large users of gasoline (those using 950 gallons a month or more) with rations through ration bank certificates. However, outstanding bulk coupons remained valid for the period for which they were issued. Beginning August 23, holders of such coupons must apply to the War Price and Rationing Boards to have them exchanged for regular coupons of the appropriate class—B, C, E or R or TT—or in the case of large users for ration bank certificates. In the case of applicants for B, C, E or R coupons, Boards will issue a sufficient number of the proper coupons to take care of the ration holder's needs for the rest of the ration period, but no one will receive a higher allowance value than was represented by the surrendered coupons. If the bulk coupons, surrendered represent transport rations, TT coupons, the exchange in all cases will be on a gallon-for-gallon basis.

The one-gallon bulk coupons which are issued to members of the armed forces as a special ration for, thorough, or leave travel, will continue in use.

### HOME FRONT VITAL IN WAR

MODERN warfare is far different from ancient conflicts, with the outcome of battles depending, to a large degree upon what happened at home in the period just preceding the fighting.

While intelligent leadership and brave fighting men count, as they always will, these attributes alone are not sufficient to guarantee success to an army. It must be equipped and supplied in order to fight.

Occurrences in three major areas are extremely favorable to the United Nations but what is happening to the home front economies of our enemies, while uncertain, may be as important as the victories in Sicily, Russia and the South Pacific.

The bombing of German industrial plants may prevent the German army from having the equipment and supplies that alone make successful defense possible. A serious loss of shipping may prevent the Japanese from supporting outlying positions and, eventually, interfere with the defense of the home islands.

It is in the effect of these so-called secondary operations that the length of the war may be determined. If German industry fails, or Japanese ships disappear, the cause of their fighting men will become hopeless and collapse is inevitable. Consequently, we cannot estimate the probable length of the war entirely upon what happens in the areas of actual combat.

### FROM 1-TO-7 TO 50-TO-1

THE British Government has issued a statement showing the comparative tonnage of German bombs on Britain and of British bombs dropped on Germany in various three-months' periods since the war began.

The statistics reveal the startling change that has come about in three years. Whereas, Germany dropped 18,900 tons of bombs on Great Britain in the third quarter of 1940, the best the Nazis could do in the second quarter of 1943 was 700 tons.

The British, who dropped 2,750 tons of bombs on Germany against seven dropped on Britain, to the present time, when they are dropping more than fifty tons of bombs on Germany to one that drops upon English soil.

It should be understood that these figures do not include bombs dropped on occupied territories in Europe, the activity of air forces in Africa, or the United States bombing missions that operate from England.

### "BACK THE ATTACK"

IN about two weeks, the Third War Loan Drive will begin, with the Government asking the people of the country to invest \$15,000,000,000 in the cause of freedom.

It might not be a bad idea, just before the drive begins, to remind Americans on the home front how little they know of war. Those of us, who stay at home, do not face the peril of enemy action and our grumbling over minor inconveniences amazes the peoples of nations, completely mobilized for a war effort.

The only opportunity that a civilian has to help win the war is through the opportunity to assist in financing operations. These are of vital importance, both to the prosecution of the war and to the equilibrium of the economic front at home.

The civilian investor is not asked to give away his money. He is invited to make an investment which will be safe and pay him interest.

Every individual, man or woman, must determine the amount of bonds to be purchased. This is a problem to be solved only by the person affected. All that the government asks of a loyal American is that he, or she, "Back the Attack" to the fullest extent possible.

### A CONSIDERABLE ACHIEVEMENT

THE campaign in Sicily offers proof that this nation has a mature and professional "fighting machine" which although small represents the spearhead of an efficient army which will include millions of soldiers.

We should not overlook the tremendous advantages possessed by Germany and Italy, where compulsory military training has been in effect for years. These nations, when they start a war, rely upon soldiers already trained in the art of battle.

Is this country and Great Britain, it was necessary to mobilize men from civilian life and give them adequate training before it was possible to have an adequate army of "professional fighters."

It is a remarkable achievement for a democratic country to create an army that is capable of fighting on a par with armies composed of men who have had longer periods of training.

We sometimes think that the impatience expressed by Americans over the failure of our High Command to launch an immediate invasion in Northern France is due to a failure to understand the complexities and difficulties connected with the tremendous task of creating an army out of civilian raw material.

The fact is that the people of this country have every reason to take pride in the successful creation of a large army, thoroughly supplied and trained, ready to meet any foe on any battle field.

Quota is \$53,000,000.

Rex I. Brown and those cooperating with him for the big war bond drive to be launched in September are working out and explaining a detailed program for the drive in Mississippi. It seems that the quota for Mississippi has been fixed at \$53,000,000. That is lots of money. But the people of the state will do their very best in this drive as they have in others. This state has cooperated splendidly in all war efforts.

### Awarded Medals by I. C. Railroad

Bishop J. Lloyd Decell and President M. L. Smith of Millsaps College, and two Negroes, Joe Johnson and William Brown, have been awarded medals by the Illinois Central railroad system for saving a fast train from what might have been a disastrous wreck in May of this year. It seems that the Negroes discovered a broken switch on the track and they flagged the Bishop and Dr. Smith, who were passing in a car, and the oncoming train was flagged to a stop.

### \$1,424,000 Bonds Retired.

In the month of August the State Treasurer has paid off and retired State Highway Bonds to the amount of \$1,424,000. This leaves outstanding in highway bonds \$51,097,000. In addition to the State Highway Bonds outstanding the state has outstanding "in full faith and credit bonds" the sum of \$22,961,000.

### Judge Roberts Recuperating

Judge W. G. Roberts, member of the State Supreme court, was operated on for appendicitis at the Jackson Infirmary on Wednesday night of last week. The jurist was rushed to the hospital soon after the acute attack struck him. He stood the operation well.

### Alabama Invests Surplus

The State of Alabama has invested \$6,280,000 of surplus funds in the State Treasury in war bonds. The 1943 session of the legislature authorized the purchase of bonds with surplus funds.

### Bush Appointed Highway Commissioner

Gov. Johnson has appointed Mufdell Bush of Hattiesburg to succeed the late Hiram Patterson as Highway Commissioner in the southern district. Mr. Bush will fill out the unexpired term ending in January, 1944. A commissioner will be elected for the full term at the general election in November without primary nomination. In addition to Mr. Bush, Reece Bickelstaff, member of the House from Harrison County, and re-elected for another full term, is a prospective candidate, and others are expected to enter. In that election the one receiving the highest number of votes will be the winner, whether it be a majority or a simple plurality.

### Big Crop of Potatoes

It is reported that the state has a huge crop of sweet potatoes this year. The housing and drying facilities in the state are inadequate for the big crop, but government agents will help in the matter of saving the crop for war demands.

### Oil Field in Wayne County

The location of a new oil field in Wayne County has stimulated research and drilling in the state, and tests will be made in many counties. There is strong hope that Mississippi may become one of the real oil states and that wealth and taxes may come from that source.

### Raking Around—

Monday of last week put up a record for being hot, the temperature registering 105 at the weather bureau and that standing at the hottest ray ever recorded in Jackson. With the hay fever here and Dog Days coming on there will be much interest in the state, even after the election.

—Son Lumpkin and family spent a brief time in Jackson last week and received a very cordial welcome to the state capital.—G. E. Denley of Coffeeville, well known newspaper man former member of the state senate died last week, after an illness of several weeks.—The first six months of 1943 shows a decrease of 32 per cent in traffic deaths as compared with 1942, and 41 per cent as compared to 1941.—The government estimates that Mississippi will produce 1,980,000 bales of cotton in 1943, compared with 1,908,000 in 1942.—Mississippi's corn crop for 1943 is estimated by the government at approximately 10 million bushels under the 1942 production.—Roosevelt and Churchill are talking it over at a conference in Canada, and some big news is expected from that meeting.—Mississippi State College will open its regular session on September 23rd.

War Bonds should mean something more to you than just "a good sound investment." Figure it out yourself.

### ORTE THEATRE SUNDAY - MONDAY "THE HUMAN COMEDY"

With Mickey Rooney and Fay Bainter—A Great, Tender Story

Tender and great is the story of human people as brought to the screen in the M-G-M film, "The Human Comedy." Eagerly awaited by many, the story, written by William Crayon, will play at the Ortte Theatre. In it Mickey Rooney gives the outstanding dramatic performance of his long career, leaving behind him the unique characterization of Andy Hardy in the series of the same name.

"The Human Comedy" deals with family life in a typical American small town. The Macauley family, for instance, is poor in worldly goods, but spiritually rich. Ma Macauley, portrayed by Fay Bainter, is a widow and her oldest son, Marcus, played by Van Johnson, is a private in the army. Mickey Rooney is the second son. He gets a messenger's job in the local telegraph office, working after school so that he can help out at home. His work calls for him to meet people—all sorts of people—and to get to know them. He learns much from Frank Morgan, who gives a telling account of himself as an old broken down telegrapher, and James Craig the philosophical manager of the office.

### Runs the Gamut of Emotions

There are comic moments, tragic incidents and tender love scenes, all deftly interwoven in this inspiring story. Craig handles the romantic angle effectively as Martha Hunt, daughter of the rich banker, plays up to him as "her man."

Clarence Brown, who has a long list of successes to his credit, has directed and produced with a heart-warming touch. Additionally there is an inspiring musical score.

Other members of the Macauley family include Donna Reed and Jack Jenkins, filmdom's newest child discovery. Dorothy Morris is seen as Marcus' sweetheart, the girl who lives next door. Moving characterizations are given by Mary Nash as the sympathetic school teacher, Rita Quigley as the girl of Mickey's dreams, Darryl Hickman, Barry Nelson, Henry O'Neill, Katherine Alexander, Ann Ayers and John Craven.

### Suffers Cut on Arm

Harold Stiglet, son of John Stiglet of Pass Christian suffered a severe cut of the arm on Sunday when attempting to shove a companion with whom he was playing through a partly opened window. He had his arm cut from the elbow to the arm pit which necessitated having to be stitched. He was treated at the Kings Daughters Hospital. Harold spends the greater part of his time here with his grandmother Mrs. Oscar Lafontaine. He is reported to be doing nicely.

One of our every two families have at least two workers. Figure it out yourself how much beyond 10 percent of your family income you can put into War Bonds every payday.

By its fruits ye should judge it...

The L&N, "The Old Reliable," is about 90 years old. Originally it was to run from Louisville, a town of 40,000 to the Tennessee state line... a distance of 140 miles. Now the L&N, covering almost five thousand road miles, connects the great cities of St. Louis and Cincinnati with Atlanta and New Orleans, as well as with Gulf Coast towns and many other intermediate cities in the South.

The L&N has grown from a 3 million dollar capitalization to an investment of 519 million dollars. It has been a major factor in the commercial development of the cities it serves and in the industrial and agricultural growth of its territory. The great coal fields of Kentucky, Tennessee, and Alabama speak eloquently of its constructive efforts.

Long before the nation's present program for agriculture, the L&N successfully fostered and promoted such a program. Tremendous industrial development followed this railroad's solicitation and sympathetic aid.

As one of the South's largest taxpayers, the L&N helps substantially in the maintenance of government and schools. The purchasing power and stable citizenship of its employees plus the company's purchases, make it first rank among Southern business enterprises.

The L&N does not boastfully tell this story... it is only informative. While its management has been by men of Southern sympathies, business purposes alone were sufficient to prompt their efforts.

Now what has been the L&N stockholder's reward for his investment... for the surplus earnings he plowed back into the property... for the risk he takes in providing an essential service that develops that territory, raises wages and living standards and for other great accomplishments? Read the surprising answer!

Since the beginning of this railroad, all the cash dividends paid to the stockholders have amounted to an average of less than five per cent per year.

Here is the record for the past 30 years:

Paid for labor.....	\$1,499,769,616
Paid for taxes.....	218,263,609
Paid for cash dividends.....	171,568,733

The stockholders received less than the public (if taxes) and about one-eighth of what Labor received.

If the misinformed refer to the railroad company, or its investors of capital, as exploiters of the community or as oppressors of Labor, should not the facts and accomplishments of the L&N put these men to shame? By its fruits ye should judge it.

When the big job of transportation for this ghastly war has been finished, "The Old Reliable" wants to step right in with modern, friendly service for its patrons, its prime purpose being the further development of the South.

## WINS DISTINGUISHED FLYING CROSS

Lieutenant William P. Cassidy, Brookhaven, Miss., won the distinguished flying cross for completion of his 25th mission after a day-light raid over a roller bearing plant at Schweinfurt, Germany, during which the Nazis threw up the stiffest fighter opposition that they have mustered in many weeks, a United States bomber station in Britain reported.

Lt. Cassidy was co-pilot of the Miss Patricia, named for his three-year-old daughter whom he hasn't seen since January.

Mrs. Cassidy, the former Miss Marion Ingram, who with Patricia is

with her parents Mr. and Mrs. S. J. Ingram, says she is looking forward to having Lt. Cassidy home at an early date but though he cabled her when he received his honors he did not say he was coming.

However, she feels at ease now since he has completed his combat flying.

Lt. Cassidy was in command of the flight in the raid.

## School of Missions And Christian Service Closes At Gulfside

A school of Missions and Christian Service which opened at Gulfside Tuesday, August 17, closed on Tuesday, August 24, with a large attendance of students and delegates from Tennessee, Mississippi, Louisiana, Florida, Alabama, Texas, North Carolina, South Carolina, Maryland, Delaware, Kansas, Ohio, Arkansas.

The school is under the joint auspices of the Women's Division of the Board of Education.

Miss Florence Teague, member of the staff of the Board of Education of the Methodist Church, Nashville, was dean of the school. On the faculty were Mrs. Velma Maynor, former missionary to Korea, and one of the executive secretaries of the Department of Work in Foreign Fields of the Woman's Division of Christian Service; Misses Lillian Warwick, Thelma Stevans and Norris of the staff of the Woman's Division of the Board of Missions and Church Extension, with headquarters in New York City; Miss Mary deBardelaben, member of the faculty of the Gannon Theological Seminary in Atlanta; Mrs. Ethel Muse Jackson, director recreation at the Bureau Community center in New Orleans.

There were several interesting subjects discussed at the study hours of the school some of which were "The Problem of Suffering," "Christian Ventures in Learning and Living," "The Church and America's People," "Becoming World Christians" and others.

One night was given over to the staging of a pageant depicting the literature of the church; another night there was a dramatic worship service by the young women and girls. On Saturday night there was a special program arranged by the representatives of the Wesleyan Service Guild for business women.

At the assembly period, Bishop Jones addressed the group on the Bishop's Crusade for a Christian World Order.

## "CONEY ISLAND" AT A. &amp; G. THEATER SUNDAY AND MONDAY

Is Wonderful Musical, Packs Songs, Laughs, Romance

Hurry... hurry... hurry... to the A. & G. Theater to see the top musicals of all time. We're talking about 20th Century-Fox's "Coney Island," the Technicolor extravaganza which stars Betty Grable, George Montgomery and Cesar Romero.

There is no rationing of entertainment in this superlative picture. It is most lavish in its production numbers; the songs, both new and old are easily the best in a long, long time; the story is fresh and imaginative, capturing all the hurly-burly drama and dancing delirium of a riotous age of ragtime and romance.

Producer William Perlberg has taken every advantage of Betty Grable's many-sided talents in "Coney Island." The story is in the best of taste—there is enough to pace the picture compactly, thanks to Director Walter Lang's astute handling, yet at no time does it clash with the musical sequences. The tale of show folk is set in the playground of New York, where fun was furious and the lights were bright all night—and the thrills of a roaring era of ragtime abound. Betty is an entertainer in Cesar Romero's cafe in Coney Island, but George Montgomery—who is on a par with Cesar when it comes to being tall, dark and handsome—sees bigger things ahead for her. The events which develop, with an eye for the humorous, revolve around the boy's love for Betty—and who can blame them for "knifing" each other.

Among the new tunes with which "Coney Island" is liberally sprinkled are "Take It From There," "Beautiful Coney Island," "Miss Lulu Louisiana" and "There's Danger in a Dance," all by Leo Robin and Ralph Rainger. The old favorites include "Put our Arms Around Me Honey," "Who Threw the Overalls in Mistress Murphy's Chowder," "When Irish Eyes are Smiling," "Darktown Strutters Ball," "In My Harem" and "Cuddle Up a Little Closer."

Charles Winninger and Phil Silvers top the featured cast of the film. George Seaton did the original screen play, while the musical sequences and ideas are by Panchon.

## William E. Marquez Promoted to T.Sgt.

Del Rio, Texas—The promotion of T.Sgt. William E. Marquez from the rank of S.Sgt. has been announced at Laughlin Army Air Field, near this border city, where he is on duty as a flight chief.

At this field student officers receive specialized training in piloting the Martin B-26 Marauder, world's fastest medium bomber and one of the deadliest to the Axis.

T.Sgt. Marquez is the son of Mrs. Catherine Marquez, 235 Washington Street, Bay St. Louis, Miss.

From where I sit...

by Joe Marsh

Grandma Hoskins knows a lot about history—but when we asked her where the first brewery was built in America, she wouldn't take sides.

"You see," says Grandma, "wherever the colonists settled, one of the first things they thought about was food and beer. In fact, one reason why the Pilgrims landed at Plymouth Rock was because the Mayflower was runnin' short of beer."

Well, that was a new one on us, but Grandma showed it to us

—just as it was written in the Mayflower's log.

And it seems that all through our early American history beer sort of tempered the hardships and helped to make us a tolerant, moderate people.

From where I sit, beer is the American drink of moderation and friendliness—kind of a symbol of our personal liberty.

## ... WHICH will Johnny be?

Without question, no red-blooded, freedom-loving American father or mother would want Johnny to be like that misguided, regimented Nazi lad. America's sons have a priceless heritage of Freedom that no fuhrer-trained, goose-stepping Nazi youth can understand or enjoy.

Next month Americans are being asked to LEND our Government FIFTEEN BILLION DOLLARS. This is the greatest single financial undertaking in the history of any country on earth. People of the Gulf South, as in all America, will have to dig deep into their

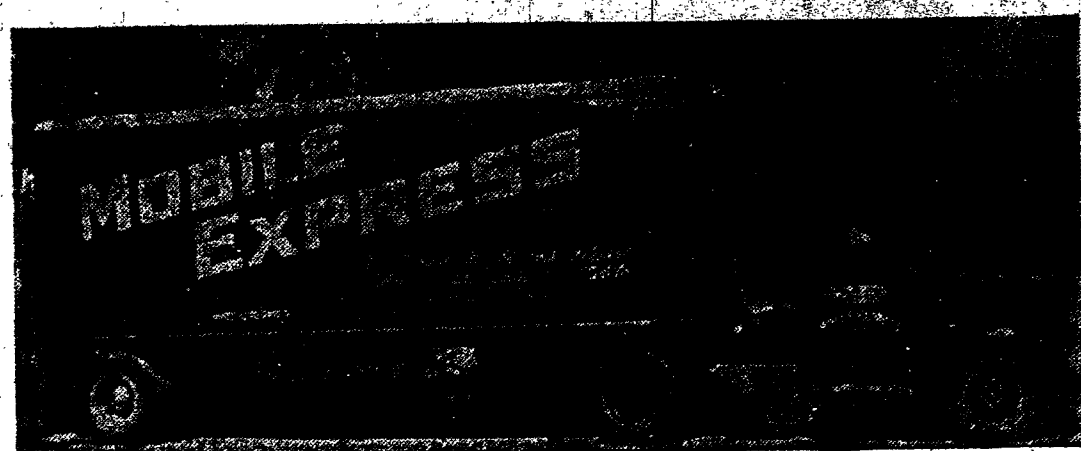

pockets to put over this Third War Loan Drive. But, we WILL do it, for no sacrifice or effort we must make is too great to make sure that the youth of America shall never be the mere pawn of a tyrant dictator.

On Thursday, August 19, a coffee drinking was given in the home of Mrs. Chris Luxich in honor of Rev. W. T. Johnson and Rev. D. W. Nix. Delicious cake was also served. Others present were: Mrs. John Dawsey, Edith Sarline Dawsey and Mrs. Lusich's daughter, Ona May.

Funeral services for Jodie E. Lott, Chief Commanding Steward in the U. S. Army, were held at 10 o'clock August 20th in the chapel of Hexon Bro. Funeral Home in Alexandria, La., with Rev. Taylor of the First Methodist Church of Alexandria, officiating. Burial was in the Greenwood Cemetery by the Masons of Alexandria as a courtesy to the Diamond Lodge of Logtown of which he was a member. The quantity of beautiful flowers and the number of friends attending was an outward manifestation of the high esteem in which he was held by friends.

Mr. Lott died of a sudden heart attack on August 13th in Providence, R. I., where he was stationed. He was the only son of Mrs. Anzelle Casanova Williams and was born and reared in Hancock County but for the past several years was engaged in the Cafe business having owned and operated a Cafeteria in Alexandria, La., eleven years prior to his enlistment in the Navy in November of 1942.

He is survived by his wife, one son, Jodie Lott, Jr., of Gulfport; his mother, Mrs. Anzelle C. Williams of Logtown; one sister, Mrs. A. E. Marshall of Logtown; two nieces, Miss Joyce Marshall of Norco, La., and Mrs. Hubert Roddy and several aunts and two uncles.

Attending the funeral from Logtown were Mrs. Williams and Mr. A. E. Marshall and daughters were Mr. and Mrs. Elliot Casanova and son.

## Local Library Tag Day Proves Success

The Bay St. Louis-Hancock County Library's Annual Tag Day went over with a bang on Saturday and the Library appreciates to the fullest the generous manner in which the public responded to the call. The sum realized for the library book fund was \$65.36. But our books are not closed and if there is any one who was not approached on Saturday and wishes to contribute to this fund it will be appreciated.

We are fully cognizant of the fact that the success of the appeal was partly due to the splendid work on the part of the crew of girls who, looking sweet and dainty, were alert and alive to the interest of the library and we do appreciate the work they did.

Those on the list of solicitors were Misses Gene and Patricia Robin, Alicia and Rosemary Rollins, Ann, Mary Leigh and Shelby Weston, Carol Stevenson, Jane Wolfe, Carolyn Marshall, Ann Smith, Ruth Gray, Margie Horlock, Jeanne Arceneaux, Gloria Biehl, Nannette Arceneaux, Shirley Cassidy and Georgia Rose Staehle.

Each of the girls did a good job and we hesitate to designate any of them but we will mention that Georgia Rose Staehle turned in the largest amount of any one girl.

## WEDDING OF INTEREST

A wedding claiming local interest was that of Miss Leah Lundy of Pass Christian and Kenneth Shelby Murphy, son of Mr. and Mrs. D. J. Murphy of Logtown and Gulfport, which was solemnized August 6 at 8 p. m. at the First Baptist Church, Pass Christian, the Rev. W. S. Allen officiating.

The church was decorated with potted palms and tall baskets with flowers and the ceremony was performed by lighted candles.

Mr. Charles Story of Laurel, accompanied by Mrs. Mari Mincher of Long Beach sang "Ah, Sweet Mystery of Life" and "Because." Mrs. Mincher played as the processional, the "Bridal Chorus" from Lohengrin and as the recessional Mendelssohn's "Wedding March."

The bride was given in marriage by her brother Sgt. Clyde A. Lundy of Keesler Field and wore a gown of white lace over satin trimmed with net ruching. Her long veil of illusion was held by a coronet of seed pearls and her only ornament was a strand of pearls a gift of the bridegroom. She carried a shower bouquet of gardenias, gladioli and tulle-roses. Her only attendant was her sister Mrs. Earl Ramond of Pass Christian.

Mr. Murphy had as best man his brother, Philip Murphy of Gulfport, Earl Ramond of Pass Christian and Tom Lundy of Greenville served as ushers.

Following the ceremony a reception was held at the home of the bride's parents. After which the couple left for a trip to Mobile and upon their return will make their home at Pass Christian.

Going from here for the wedding were Mr. and Mrs. D. J. Murphy, Charles Murphy, Rod Murphy, Misses Dorothy, Doris, Sadie Lou and Mae Murphy, of Logtown, Mrs. Lucille Witter and Miss Nancy Belle Murphy of Bay St. Louis.

The bridegroom is the nephew of Mr. Charles Murphy, president county Board of Supervisors from Beat One.

—Miss Mary Kittrell, Patricia Gex and Thelma Namais arrived home today from Camp Sequoyia, Virginia, after an eight weeks' camping stay. The young ladies enjoyed their first real camping season and came back looking as if the camp had been in every way beneficial. Miss Kittrell was councillor there this session.

## HOSTESS TO "BIRTHDAY BUDDIES" BRIDGE CLUB

Mrs. Rhea Bonck was hostess over the week-end at her home to the "Birthday Buddies" bridge club the members of which have played cards together for more than fifteen years. Those enjoying the house party and bridge game were Mesdames A. D. Eschauer, Thomas Casey, May McDonald, C. A. Marianne, G. Rowley, Miss Lillie Baker, all of New Orleans and Mrs. S. Trastour, Bay St. Louis. Other guests were Mrs. J. R. Scharff, Misses Muri Kergosien, Barbara Ann Trastour, Bay St. Louis, Janet Rowley and Juanda Bonck, New Orleans.

## CARD OF THANKS

I wish to express my sincere appreciation to all of my friends for the splendid vote given me on August 24th, in my race for the office of Sheriff and Tax-Collector. To those who voted for me I am truly grateful and to those who did not I wish to assure them that I hold no ill feeling toward them in any way. I shall endeavor to serve the people of Hancock County to the best of my ability at all times.

Sincerely,  
JOHN A. EGLOFF.

To my friends in Beat Two, Hancock County:  
I wish to express to you my sincere thanks for the vote cast for me on last Tuesday in my election for Supervisor. I assure you that I deeply appreciate the confidence that you have expressed in me, and I sincerely hope that I will be able to render a service to you which will be satisfactory.

Sincerely,  
JOHN B. WHEAT.

## CARD OF THANKS

To the Voters of Beat 3, Hancock County:  
In the election on last Tuesday I was returned to office by one of the biggest majorities I have ever received. I am grateful to my many friends throughout Beat Three for the work they did in my behalf. I assure you that it makes one feel grateful and appreciative. I shall do my utmost to continue to render the same type of service to my people that I have in the past.

Thanking you and with sincere appreciation, I am  
Respectfully,  
CALVIN SHAW.

## CARD OF THANKS

To my many friends:  
I wish to express my most sincere thanks for the honor that has been bestowed upon me. I consider it a privilege to be able to serve you in the capacity of Superintendent of Education and hereby firmly resolve to discharge the duties of that office in a very capable and efficient manner.

Respectfully,  
SAM L. FAVRE, JR.

## A Message Of Thanks To The Good People Of Beat Five

MY DEAR FRIENDS:

Words cannot express my deep appreciation for the grand support I received in my election.

Naturally my wholesome sincere gratitude goes to those who voted for me but by the same token I hold no malice or hard feelings toward those who voted for my opponent.

I want to thank the service men for their support, also the defense workers who lost one or two days pay to cast their votes for me, as well as the general public.

To Terrell Perkins I extend my heartiest appreciation for his assistance in the Second Primary.

Last but not least I wish to compliment my opponent, Horace Kergosien, for the gentlemanlike manner and the clean way he conducted his campaign.

I wish to assure all the people that I will be fair in my dealings with them and I will make every effort possible in carrying out the duties of my office to the best satisfaction of all concerned.

I beg to remain sincerely,

Your friend
